

I am a PAID SUBSCRIBER to XM Radio, have been for just about 6 months now and want to let you know that it is one of the best PURCHASES I have ever made and continue to make every month with my monthly service fee. I am thrilled that I don't have to listen to commercial radio any longer or to the only other commercial free radio choice - NPR! Please, please, please reject the NAB's petition 04-160 and show your support for true choice, capitalism and freedom of speech. Thanks you, Paul Van Anda
